

CLAY COUNTY

PUBLIC HEALTH CENTER

COVID-19 Update

Monday, March 16, 2020

In alignment with guidance from [CDC](#) and the [State of Missouri](#), Clay County Public Health Center (CCPHC) **recommends cancelling or postponing events of 50+ people for the next eight weeks**, with the exception of educational institutions, daycare facilities, and business operations. For more details and recommendations for events of all sizes, please visit the [CDC's website](#). Additionally, CCPHC will continue to update you with the latest guidance and resources throughout the week.

Message from Governor Parson: "I want to emphasize that we are all in this together. Missouri continues to work closely with both federal and local officials in order to maximize coordination and tailor our response appropriately. It takes all of us at the local, state, and federal level along with neighbors, families, and fellow citizens to use common sense and personal responsibility to work through these tough times and protect the health and safety of all Missourians."
