March 24, 2020

The City of Lawson supports the Order to Shelter In Place issued by the Ray County Commission and Department of Health effective Thursday 03/26/20 at 12:01 a.m. and in effect for 30 days. We are now under an order from both Ray and Clay Counties to Shelter In Place for the next 30 days and appreciate the cooperation of everyone through this difficult time. As always, we know our community will do what is necessary to take care of one another even with these limitations put in place. Many are already reaching out to make sure that families and individuals have the daily essentials that we all need.

Current COVID-19 Numbers as of 03/24/20

44,183 Cases in United States
544 Deaths in United States
183 Cases in Missouri
6 Cases in Clay County inside Kansas City
3 Cases in Clay County outside of Kansas City
0 Cases in Ray County
3 Deaths in Missouri

Please know we understand how difficult this request is to make of the community and we do not take it lightly. However, if we choose not to do it, the consequences may be much more severe. Our number one priority is to ensure the health and safety of the community. We have limited abilities in our local ordinances to impact the spread of COVID-19, but with the cooperation of the community, we will do our part to beat this.

Sincerely,

Greg Taylor
Mayor
